**ENSIGNS AND BURGEES
OF YACHT CLUBS
AND PRIVATE FLAGS
OF YACHTSMEN**

Lloyd's Register of Shipping London

FOREWORD

Since the Flag Booklet was last published there have been many new club burgees and private flags of yachtsmen received by the Society.

It has, therefore, been decided to publish these new burgees and private flags and, at the same time, opportunity has been taken to edit and bring up to date all the existing illustrations (see list of Contents on page ii).

New indexes have been prepared covering all burgees and private flags included in this booklet, and it is important to use these indexes when seeking a club burgee or the private flag of a yachtsman.

INDEX TO ENSIGNS AND CLUB BURGEEES

Both ensigns and burgees are illustrated in the cases of British clubs which have warrants to fly defaced ensigns. In addition, ensigns and burgees of important foreign clubs are also shown.

Burgees are illustrated for other foreign clubs as well as British clubs which fly a plain red or blue ensign. The latter are indicated by the letters B.E. in the top right-hand corner of the illustration.
